LEVEL

It's all about level, to come eye to eye with nature, to relate to the horizon and to get lines and shapes to move to a higher level! The lightweight frame and soft cushions creates both contrast and comfort – and tempt with relaxed lounge atmosphere

LEVEL is a lounge collection consisting of 2 couch modules – one left and one right and a pouf, all with powder coated gray Aluminum frame and cushions in water resistant dark gray fabric. To complement the couch LEVEL also include a coffee table in beautiful bamboo. The collection is made to make it possible to mix the modules in many different ways.

DESIGN LEVEL is designed by the Danish designer Henrik Pedersen.
